

**INTERNS:** The visitor parking spaces will be blocked off in front of the Resource Center. The Project SEARCH staff will be standing in the spaces at a table. Please pull up to this area to receive your certificate/gift. You may get out to take pictures with the staff and/or the signs and balloons. Please exit through Level 4 parking ramp.

**GUESTS:** You may park in the Level 4 parking ramp to cheer on the interns as they drive thru. If you would like to get out of your vehicle and stand on the sidewalk to wave, clap, and cheer on the interns, there are sidewalk areas located in the front and side of the Resource Center. Please wear a mask if you plan to stand outside.
