What is Voices Unlimited?

Voices Unlimited is part of The Arc of East Central Iowa's Citizen Advocacy Program. It is a social club designed primarily for adults with disabilities to enhance social skill development, yet is open to all individuals within the community.

This group provides a place where individuals can share their ideas, build friendships, and learn how to be an active participant in their community.

The social group meets twice a month, and there is typically one educational and one social event. Most gatherings take place in the evenings, Monday through Friday.
