

Sexual Assault & Grooming

Tuesday, July 13th
11:30 am - 1:00 pm · via Zoom

Please join The Arc of East Central Iowa and Riverview Center for a free afternoon training and Q & A on sexual assault and grooming of individuals diagnosed with a disability. We will discuss the signs of sexual assault and grooming, risk increases for individuals diagnosed with a disability, and what support is available to help each individual and their family through the experience. This event is open to families, friends, and staff. Please share this throughout the community. Our goal is to increase awareness, stop sexual assault, and create an environment for individuals to heal from their experiences.

REGISTER NOW

Pre-registration is required.

Register in advance to attend by clicking the button above by July 9th.

Prior to this training, please submit any questions to Kristen Krambeer at kkrambeer@arceci.org by July 9th.
